

MANUFACTURING FRIENDLY PREFORMS

Shorten your manufacturing lead times by using preformed blanks from H.B. Carbide. Whether simply cut-to-length or machined into complex shapes, made-to-print preforms have minimal grindstock, reducing the amount of time and energy you'll need to spend producing your finished tools.

ALL YOUR CARBIDE NEEDS FROM ONE SOURCE

Best raw materials

The highest quality products are produced using the highest quality raw materials and the best trained manufacturing personnel.

Latest manufacturing technology

State of the art, computer controlled, "Ultra Temp Vacuum Sinter Hip Furnace" technology used to produce the ultimate quality.

Fast and reliable delivery

Short manufacturing lead times require reliable transportation to deliver your blanks when you need them.
